Dear Parent / Guardian

## Year 11 Study Leave

Your son is on Study Leave from today. Study Leave is granted in order to give time for students to prepare for their examinations. Please ensure that he continues to revise and knows the exact dates and times of all his remaining examinations.

If your son has unfinished BTEC or VCert assignments in Hospitality, Engineering, Craft, Art and Design or Sport, **he should continue to attend lessons in the subjects concerned until all assignments are completed.**

**All BTEC assignments must be completed and handed in for assessment by Monday 11<sup>th</sup> June.** After this date work cannot be accepted.

Whilst on Study Leave, students should take advantage of support which continues to be offered. Attached is some important information:

- **A timetable of examinations** – we will also auto text the day before reminding you of examinations for the next day
- **A structured revision timetable** indicating when students need to be in school for specific exam preparation sessions and a note outlining how your son can gain an extra GCE between now and the end of June.

Your son is expected to be in **full school uniform** during his examination period. If he is not in uniform then he may be **refused entry to the examination venue**. He will need to be in school by **8.15 for morning examinations** and **1.15 for afternoon examinations**. We will provide a light breakfast from 8.00 onwards for morning examinations.

We are having a Graduation Evening on **Wednesday 20<sup>th</sup> June at 6:30pm**. **If your son is invited to this then you will get a personalised invitation which will have further details.** Students are expected to come formally dressed in shoes, trousers, shirt and tie.

We have enjoyed working with you during the last five years and look forward to continuing to work with you should your son be offered a place in our Sixth Form. We feel that the students have prepared themselves very well for the exams and we look forward to excellent results.

Yours sincerely

Rukhsana Sheikh

## Structured Revision

- These sessions are vitally important. If your son is doing the subjects listed in the attached timetable, he **must attend** these sessions.
- Students are also welcome to attend at any other times during the exam period to do revision or talk with their teachers.
- **He is expected to be here at 7:45 on the mornings of his Maths and English exams and for History on 4<sup>th</sup> June.**
- **Free breakfast** is provided for students before morning exams. We would encourage all students to arrive early and take advantage of this as it will help them be better prepared.
- Please keep reminding your son about the amazing free revision resources on **GCSE Pod**. He should be using this for at least half an hour every day. **It will improve his grades.**
