Questions and Answers

What is Renaissance Home Connect?

Renaissance Home Connect is a tool that connects the school and home to keep parents informed of their child's progress towards Accelerated Reader. Renaissance Home Connect also encourages the child to practice reading at home.

How does Renaissance Home Connect help me improve my child's reading progress?

- You can view your child's progress toward reading targets and reader certification, and view all books that your child has read and quizzes your child has taken.
- You can view all words your child has learned through Vocabulary Practice Quizzes. In addition, words the child missed are clearly marked so you can help your child learn those words.
- You can access an online search tool, AR Bookfinder, to search for books using various criteria, including author, subject or reading level.
- You can receive emails that reveal results for Reading Practice Quizzes and Vocabulary Practice Quizzes. The emails also provide links to the Website where you can check progress.

How do I get access to Renaissance Home Connect?

Schools that have Accelerated Reader Advantage will automatically have access to Renaissance Home Connect. Your child's teacher will provide you with the Web address for Renaissance Home Connect. The same login and password that your child uses at school will work at home.

What if I have questions about using Renaissance Home Connect?
