RE: Ernest Bevin College 6th Form Applications for September 2020

Dear Prospective Student / Parent,

This letter is to clarify our position on **internal and external 6th Form Applications** following the unprecedented action set by the Government to close schools across the country as a result of the Covid-19 Pandemic.

If your son or daughter has applied to our 6th Form as an **external student** and has been offered an interview then we apologise that these will now no longer be able to take place on the expected dates. We will be in contact with you in due course to arrange either a new date or a telephone interview.

If you are an **internal student** and have submitted an application to the 6th Form, but have not yet heard back from us, please do check your My Ed messages, as letters were sent to all Year 11 students before February half term. However, rest assured we will be contacting everyone again in the next few weeks to confirm their offer.

If you are an **internal or external student** and you have not yet sent in an application form, we are still accepting late applications. Application forms and course information can be downloaded from our website: <https://ernestbevin.london/index.php/sixth-form/how-to-apply/>

We would welcome your applications and will process these as soon as we can. Please do ensure that you have provided two references, or the names and contact details of two referees who can comment on your academic progress.

We ask that you remain in touch with the school and make us aware if your situation changes. The guidance for the general public, and schools continues to be fast changing and advice is being regularly updated so we will endeavour to update our website and guidance for applications as best we can.

In the meantime please do not hesitate to get in touch should you need any help with the application process. We hope everyone is safe and well and look forward to meeting with you all as soon as possible.

Yours sincerely,

Ms James

Director of Sixth Form, Assistant Principal
