

Marking students' work

Teachers have reviewed how they mark students' work to make sure that what they do is **manageable** and also **helpful** in supporting student progress.

- Teachers set **regular homework** and will check it has been done.
- Teachers will mark at least **2 pieces** of your classwork / homework in detail per half term. These are **Key Assessed Tasks (KATs)**. They will tell you:
 - How hard they think you tried (effort grade 1-5, 1 is highest)
 - What went well (WWW)
 - What you could do to improve (EBI – 'even better if')
- Students need to **act on this feedback**, and make improvements to their work to help them make progress. Teachers will give them time in lessons to do this.
- Self and peer assessment will be used to mark other homeworks
- Students should use **green pen** to make corrections! They need their own green pen.

Marking Code

Teachers will use these codes to mark the **spelling** and **grammar** of work to help improve literacy.

They may ask students to mark their own and others' work using the same codes.

Canvas

What is it?

It's our new Virtual Learning Environment, replacing *Fronter*.

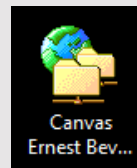

What's it for?

Canvas has lots of functionality, but mainly it is a place where you and your teachers can share files linked to your lessons and communicate outside lesson time. Homework information may also be made available on Canvas.

Each of your classes has a separate area and you will see these as you log in.

How do I access it?

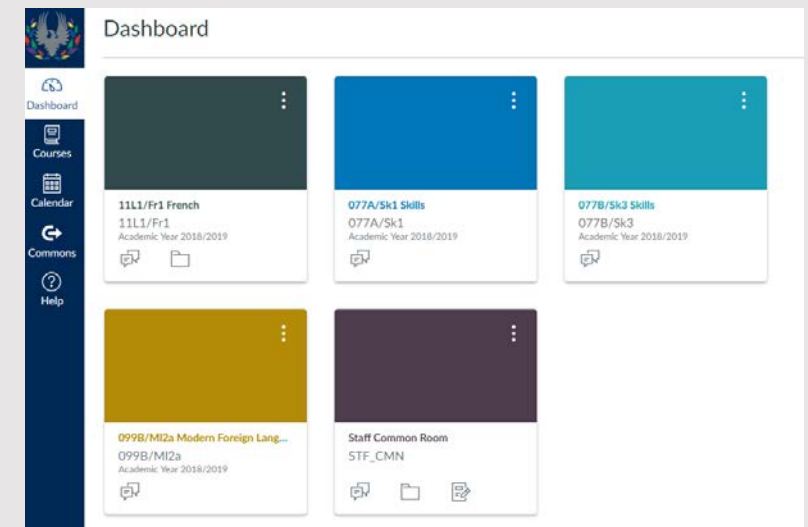

In school: click on this icon on your desktop:

From home: ernestbevin.instructure.com

What's the login?

It's the same as students' school login.
