Re: Provision of Free School Meals during COVID 19 SCHOOL CLOSURE

Dear Parents / Guardians of students eligible for Free School Meals

During the college closure, students eligible for free meals are not able to receive them in the usual way and so other arrangements have been put in place.

Currently free meal vouchers are being provided through the WONDE system. This will then transfer to EDENRED from 27 April. In both cases eligible families will be sent emails with instructions on how to access the vouchers. Please make sure the College has an up to date email address so we can send you the vouchers and information you need.

Here is a link to more information about EDENRED.
