June 2020

Dear Parents and Guardians,

I am writing to let you know about changes to the College day from September 2020. The new timings are shown below.

The key changes are that:

- There are now five periods in each day, of 60 minutes, instead of 6 periods of 50 minutes,
- The College day ends at 3pm each day,
- The timetable will be the same each week,
- The PSHE period is now weekly and for 45 minutes, at the beginning of the day on Tuesdays. The five lessons that follow will be reduced by 5 minutes.
- Lunch is shorter and later in the day, students will be able to buy food during break,

These changes allow us to better deliver the curriculum for all key stages. Students are receiving the same amount of time taught in classes with their teachers. The day has been shortened by removing their afternoon tutor period and shortening lunchtime.

Our thinking here has been with the best outcomes for students in mind.

Yours,

Ann Keane Maher, Principal
