Consequences, sanctions and actions

Uniform

Students not in full College uniform will be given 48 hours from the day they are incorrectly dressed to purchase the relevant items of uniform. In the case of ties or blazers being the missing items the College may provide the student with a tie or blazer in a sealed bag which they will take home and wash ready for use the following day. The tie or blazer will be returned once the student has purchased their own.

Students not in full College uniform at the end of the 48 hour reprieve will be placed in the reflection room for a maximum of 3 days. If they have full uniform within the 3 days they will return to their timetabled lessons.

Poor behaviour in lessons and around the College

Each year group will have its own reflection and central detention room. This ensures that the sanctions and actions procedures outlined in the main behaviour policy can be adhered to.

A member of SLT will determine if a student removed from a lesson should be sent to the reflection room for that period, the rest of the day. Or whether the student should be sent home.
