Dear Parents and Carers,

Governors of EBC are pleased to announce the appointment of the new permanent Principal at Ernest Bevin College. After a lengthy and thorough process that attracted over 20 applicants and five final candidates, Tracy Dohel has been pleased to accept the post.

Wandsworth Local Authority supported the school throughout the process and also wish to congratulate Ms Dohel on her new role.

Ms Dohel has worked in leadership roles in other London boroughs, including Lambeth, Westminster and Islington. More recently she was Principal in Hastings moving a school to Good in two years and a Head in a Surrey school on their journey to Outstanding.

The governors and Director of Children's Services are delighted to welcome Ms Dohel and are looking forward to working with her to lead EBC to outstanding again. It is an exciting and challenging time for all our young people, and we are determined to ensure that we are both keeping them safe and ensuring they succeed. We will keep you updated over the next few weeks and look forward to sharing our preparations for her arrival in the New Year.

Yours faithfully

Dr Catherine Carroll
Interim Chair of Governors
Ernest Bevin College
