## Message from the Principal

It is lovely to see everyone back in college and we are all enjoying the sunshine. Thank you to all our students and families who completed a PCR test as part of the surge testing that is currently taking place in Wandsworth and Lambeth in order to keep our community safe.

We are pleased to welcome Mr Leonard, who joins us at the beginning of this term as Head of English. We also say goodbye to the following members of staff: Ms Baum, Behaviour Improvement Manager left just before Easter, Mr Hunter, Teacher of English, leaves this week and Mr Salmon, Careers Advisor has his last day next week. We wish them all well with their future endeavours.

Finally I would like to thank FEBS for running the very popular 'Express Yourself' competition as part of Children's Mental Health Week last term. There were some fantastic entries and congratulations to all the winners

Take care,

Ms Dohel  
Principal

*Well done to all the FEBS competition winners who were presented with their Amazon vouchers by Mr McCarthy*

In Lockdown, we are stuck in mental pressure and some of us, depression. However, don't give up, express yourself and don't keep everything in to yourself. Express your feelings to one another and just talk. Speak out to the ones you love because expressing yourself will make you feel better in this crisis. Show how much you love one another and talk. Talking to someone you love and know well will not only make you feel better but it won't even feel like you're in isolation. Just talk to someone and make the most of it. That's all, from me. Thank you.
