## Introduction

This notice is to help you understand how and why we collect your personal information and what we do with that information. It also explains the decisions that you can make about your own information. We are giving you this notice because you are mature enough to make decisions about your personal information. If you have any questions about this notice please talk to your Head of Year.

## Personal information

Personal information is information that the School holds about you and which identifies you. This includes information such as your name, date of birth and address as well as things like exam results, medical details and behaviour records. The School may also record your religion or ethnic group. CCTV, biometric data, photos and video recordings of you are also personal information.

## Collection and use of information

### *How and why does the School collect and use personal information?*

We set out below examples of the different ways in which we use personal information and where this personal information comes from. The School's main reasons for using your personal information are to support your learning, to monitor and report on your progress and to provide appropriate care. Admissions forms give us personal information. We get information from you, your parents, your teachers and other pupils. Your old school also gives us information about you so that we can teach and care for you. Sometimes we get information from your doctors and other professionals where we need this to look after you. We collect this information to help the School run properly, safely and to let others know what we do here. Here are some examples:

- We need to tell the appropriate teachers if you are allergic to something or might need extra help with some tasks.
- We use CCTV to make sure the School site is safe. CCTV is not used in private areas such as changing rooms.
- We may need to report some of your information to the government. For example, we may need to tell the local authority that you attend the School or let them know if we have any concerns about your welfare.
- We may need information about any court orders or criminal matters which relate to you. This is so that we can safeguard your welfare and wellbeing and the other pupils at the School.
- Depending on where you will go when you leave us we may need to provide your information to other schools, colleges and universities or potential employers. For example, we may share information about your exam results and provide references. We may need to pass on information which they need to look after you.
- When you take public examinations (e.g. GCSEs) we will need to share information about you with examination boards. For example, if you require extra time in your exams.
- We may need to share information with the police or our legal advisers if something goes wrong or to help with an inquiry. For example, if one of your classmates is injured at School.
- Occasionally we may use consultants, experts and other advisors to assist the School in fulfilling its obligations and to help run the School properly. We might need to share your information with them if this is relevant to their work.
- If you have misbehaved in a serious way, and the police have become involved, we may need to use information about the action taken by the police.
- We may share some information with our insurance company to make sure that we have the insurance cover that we need.
- We may share your academic and your behaviour records with your parents or guardian so they can support your education.
- We will monitor your use of email, the internet and mobile electronic devices e.g. iPads. This is to check that you are not misbehaving when using this technology or putting yourself at risk of harm. If you would like more information about this you can read the Acceptable Use Policy or speak to your Head of Year.
- We may use photographs or videos of you for the School's website and social media sites or prospectus to show prospective pupils what we do here and to advertise the School. We may continue to use these photographs and videos after you have left the School. Areas where images/videos may appear externally include:
  - College website
  - College prospectus & Sixth Form Prospectus
  - Open Morning and Evening presentations by the Principal, banners outside college, leaflets & fliers
  - Advertisements for the College to appear in newspapers, magazines, buses, posters, presentations, digital screens & on social media
  - Wandsworth Council 'Choose a Wandsworth Secondary School' booklet
  - College publications including College Calendar, Guide for Families that are distributed to all

- College Social media sites including Twitter, Facebook, Linked In
  - In a presentation about Ernest Bevin College and its work, in order to share its good practice with other schools
  - In the media; e.g. if a newspaper photographer or television film crew attend an event.
- Sometimes we use photographs and videos for teaching purposes, for example, to record a drama or sports lesson. If you have concerns about us using photographs or videos of you please speak to your Head of Year.
  - We publish our public exam results, sports fixtures and other news on the website and put articles and photographs in the local news to tell people about what we have been doing.
