The Role

Ernest Bevin Academy are now seeking to appoint an enthusiastic and creative Teacher of Design/Food Technology to join our well-equipped DT Department.

The Academy

Ernest Bevin Academy is a four form entry boys' school within the United Learning Trust which is a large, and growing, group of schools aiming to offer a life changing education to children and young people across England. The current roll is 900 students, including approximately 200 in the co-educational Sixth Form.

Leadership: The school is led by the Principal with a dedicated SLT. The Head of Year leads a team of tutors who are responsible for the wellbeing of their year and in Sixth Form there is a tutor team. The ethos of the school is one of high expectations of behaviour and learning combined with a warm, friendly and positive environment.

Colleagues: The school has a stable and committed staff who have high expectations of themselves and their students and who work very hard to meet individual needs. We like to look after our staff by providing support and training and a good environment in which to work. Staff are invited to join staff sporting activities and use the swimming facilities and fitness suite.

Environment: The school buildings include a Drama Studio, Science Laboratories and Food Technology Room in addition to the Sixth Form Centre and Sports Complex which includes a 25m swimming pool, a gym, large sports hall and a dojo.

Success: We are extremely proud of the academic achievements of our students. In 2022 our boys exceeded all national progress levels for boys in maintained schools and we reported a positive progress 8 score, one of the highest boys' progress scores in Wandsworth.

Extra-curricular and Sport: The school has a proven record of sporting success at local, regional and international level. We work with Greenhouse Sports who provide access for our students to table tennis

coaches. We run a Cricket Academy in partnership with Twenty20 Community Cricket and we offer a wide range of activities from debating, chess and drama clubs through to a Combined Cadet Force (CCF - Royal Marines).

United Learning

As a member of the United Learning Group, we can reward our staff better: with good career opportunities, better pay, benefits, and ultimately, the satisfaction of helping children to succeed. We invest in our staff wellbeing. Our academies each have eight INSET days and an ongoing group-wide wellbeing programme. It's an ethos we call 'the best in everyone'.

Your teaching should be of high quality and reflected in your student's results. You should be committed to developing active and innovative approaches to learning, both inside and outside the classroom.
