## Year 10 Maths Higher tier EoY Exam Revision List

Dear Parents and Carers,
Find attached the revision lists for your son's end of year exams. I have included the clip numbers for Sparx Maths. Your son needs to go through each list and RAG rate the topics to help him identify the priority areas for his revision. If you have any questions, please email me at msegbafah@ernestbevin.london or contact your son's Maths teacher.
This revision list as a guide and is not an exhaustive list of every question on the test, but covers all of the key skills needed for the test. Your son should do the following below;
RAG each topic and start with his RED ones. Watch the videos and complete the quizzes.
Re-watch the video if necessary and complete a 'building block' to gain confidence.
Use link https://support.sparx.co.uk/docs/independent-learning to guide his Sparx independent revision.
